

PromoTreds Slipper Socks are produced with a "puff-ink" application. Therefore, logo design and test size appearance may vary from paper proof. Every effort is made to ensure that the custom imprint is produced to paper proof design quality.

Copy must be 18 pt or large and lines must be 2 pt or thicker. Artwork that falls below these specs will print illegibly. Supplied artwork will be adjusted to meet print requirements. If artwork must print as supplied, print quality will become the responsibility of the customer.
